

You are scientists, leaders, advocates, innovators, healers, problem solvers, teachers, data-analysts, influencers, intermediaries, therapists, dot-connectors, cheerleaders, caregivers, entrepreneurs, consolers, diplomats, solution seekers, hope-givers, hand-holders, tear-dryers, brow-wipers, comforters, mind readers, negotiators, comedians, spiritual advisors, inventors, trail blazers, gatekeepers, listeners, inspirers, pioneers, ground breakers, **nurses.**

It takes nurses to make healthcare systems work. That's why Johnson & Johnson has proudly supported the nursing profession for 125 years. We provide scholarships, advocacy, mental health resources, leadership and clinical training, while empowering nurse innovation and working to build a diverse nursing workforce.

During **National Nurses Month**, we celebrate the extraordinary contributions nurses make every day of every year.
