

**You are** scientists, leaders,  
advocates, innovators,  
healers, problem solvers,  
teachers, data-analysts,  
influencers, intermediaries,  
therapists, dot-connectors,  
cheerleaders, caregivers,  
entrepreneurs, consolers,  
diplomats, solution seekers,  
hope-givers, hand-holders,  
tear-dryers, brow-wipers,  
comforters, mind readers,  
negotiators, comedians,  
spiritual advisors, inventors,  
trail blazers, gatekeepers,  
listeners, inspirers, pioneers,  
ground breakers, **nurses.**

It takes nurses to make healthcare systems work. That's why Johnson & Johnson has proudly supported the nursing profession for 125 years. We provide scholarships, advocacy, mental health resources, leadership and clinical training, while empowering nurse innovation and working to build a diverse nursing workforce.

Find out how we can support you at [nursing.jnj.com](https://nursing.jnj.com).
