NurseHack4Health: Virtual Nurse Hackathon Series

A virtual hackathon series launched by Johnson & Johnson, SONSIEL, Microsoft and dev up where nurses, other healthcare workers, engineers and more collaborate to problem-solve, and leverage technology to find solutions for the most pressing healthcare challenges.

Visit NurseHack4Health.org to learn more about our third hackathon event, “Improving Access to Care,” taking place May 14 to 16, 2021.

SEE YOU NOW Podcast Series

A five-star rated, inspirational, educational storytelling podcast series, brought to you by Johnson & Johnson and the [American Nurses Association \(ANA\)](https://www.nurses.org/), that spotlights nurses who are problem-solving, leading and innovating in healthcare.

SEE YOU NOW is available for download on Apple Podcasts, Stitcher, Spotify and wherever you listen to podcasts or at SeeYouNowPodcast.com.

Johnson & Johnson Nurses Innovate QuickFire Challenge Series

Invites nurses and nursing students worldwide to submit ideas for new devices, health technologies, protocols or treatment approaches that have the power to change human health.

Awardees receive up to \$100,000 in grant funding and access to mentoring and coaching from experts across the Johnson & Johnson Innovation – JLABS network to bring their ideas to life.

5B Documentary

An award-winning documentary film, proudly commissioned by Johnson & Johnson, that shares the inspirational story of the courageous nurses and caregivers who took extraordinary action to establish a new standard of care for the patients of the first AIDS ward at San Francisco General in the early 1980s. Access 5B on streaming platforms or talk to your Johnson & Johnson representative to explore a private screening at your office or institution.
