

**You are** scientists, leaders, advocates, innovators, healers, problem solvers, teachers, data-analysts, influencers, intermediaries, therapists, dot-connectors, cheerleaders, caregivers, entrepreneurs, consolers, diplomats, solution seekers, hope-givers, hand-holders, tear-dryers, brow-wipers, comforters, mind readers, negotiators, comedians, spiritual advisors, inventors, trail blazers, gatekeepers, listeners, inspirers, pioneers, ground breakers, **nurses.**

It takes nurses to make healthcare work. That's why Johnson & Johnson has proudly championed the nursing profession for over 125 years. We provide scholarships, advocacy, leadership and clinical education, while empowering nurse innovation and working to build a diverse nurse workforce.

Find out how we can support you at [nursing.jnj.com](https://nursing.jnj.com). **Johnson&Johnson**
